

# SUNFLOWER WOMEN'S HEALTH CARE

## PAYMENT OF SERVICE

At Sunflower Women's Health Care, we make every effort to contain the cost of specialty gynecologic and obstetric care and realize that some procedures can be expensive. Before initiating any procedure, we recommend that a patient contact her insurance company to determine coverage. Insurance coverage varies and in many cases, treatment is not covered. For these reasons, all procedures must be paid for at the time of service unless Dr. Hutchison is a contracted provider with your insurance company and coverage has been verified. At the current time, we accept check, Visa/Master Card/American Express credit cards for payment of services.

If circumstances make it necessary to cancel your appointment, please call our office with at least 24 hours notice. Failure to give proper notice of cancellation may result in a full billing for the served time.

I understand that unless otherwise arranged, all charges are payable at the time of service. I also understand that my health insurance coverage is an agreement between me and my insurance company and that I am responsible for payment of fees regardless of insurance coverage. In the event hospitalization and or surgery becomes necessary, I authorize my insurance company to make payments directly to Sunflower Women's Health Care and further authorize Sunflower Women's Health Care to release to my insurance company any information necessary for payment of claims.
